candice@cannedicecreative.com

Detail-oriented and resourceful Web Designer/Creative Developer with 5+ years' experience. Combines coding expertise with a designer's eye for content. A designer/developer "unicorn."

EXPERIENCE

SNAG (FORMERLY SNAGAJOB)

2016-present

Web Engineer

Implement the Career Pages product (Angular), a CMS that will allow customers to build their own branded recruiting landing pages.
Develop WordPress templates for the marketing web presence, allowing clients to build pages faster and more easily.
Maintain content for multiple Snag domains, including reworking the design and development of hourminds.com, snag.work, and the Worker Blog.
Reworked and redeployed the Living Style Guide website using Angular, as well as organized a team that manages the design system for the company.

CARMAX

2013-2016

Visual Designer / Creative Developer

Improve existing in-store display experience and performance by converting Flash animation to jQuery, CSS3, and GSAP/Javascript code-based animation.
Concept, develop, and implement new display content and infrastructure enhancements.
Support store-opening efforts and assist IT team in troubleshooting and resolving display issues.
Documented methods and trained colleagues to create HTML5-animated web ads.

CAPITAL ONE (CONTRACTOR WITH PROFILES PLACEMENT SERVICES, LLC)

2011-2013

Mid-Level Web Designer

Designed and coded standards-compliant consumer e-mail marketing campaigns.
Ensured accuracy of e-mail campaigns by proofreading and testing e-mail layouts prior to launch.
Created responsive e-mail layouts consistent with client briefs and corporate brand guidelines.

HMU, LLC d/b/a OPEN PLAN SYSTEMS

2010-2011

Marketing Manager

Designed marketing concepts and publications for print, video, web, and promotional use.
